Cooperation rules

- The days of weekly group project work are Monday, Tuesday, Wednesday and Thursday.
- Involved parties are on site between 09.00 and 09.30 each group project day. Stand-up will take place at 09.30.
- As for the stand-down, it is targeted for 3 p.m., however, this is not fixed. When exactly it will take place will depend on the amount of work and any external factors.
- The main form of communication is Whatsapp.
- If someone cannot be present before 9:30 a.m., he/she must notify us via Whatsapp before 9:00 a.m. A valid reason must be given.
- Tasks and their distribution are defined in a GitHub Board. We work through the SCRUM method in this. The timeframes for each task are also recorded in this.
- When a task is not completed within the timeframe without a valid reason there are consequences. See sanctions.

Sancties

3x being late without a valid reason: treat to the rest of the group.

5x being late without a valid reason: conversation with the rest of the group.

8x being late without a valid reason: conversation with a teacher present.

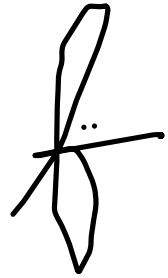

1x work not completed without valid reason: conversation with the rest of the group.

2x work not completed without valid reason: conversation with a teacher present.
